

Read Me_CERES4.50.12_Automated Email Documents File Name (Ceres4.50.12)

Service Request or Support:

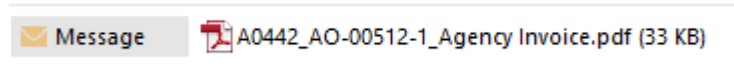

Issue addressed: Document emailing functionality properly attaches the document as a pdf. However the file name of the attached document is poorly formatted. For example, the Agency Invoice is attached as shown below.

Type	ID	Name
Codeunit	14012224	Food Bank Utilities

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue so the attached document names are properly formatted such as shown below.

Note: This issue pertains to emailing the documents noted below.

1. Donation Receipt
2. Donation Receipt Summary
3. Donation Receipt Summary by Item
4. Donation Order
5. Agency Order
6. Agency Invoice
7. Agency Statement

Refer to the Agency and Donor Document Email Functionality procedure document for additional information about document email functionality.
