

Read Me CERES4.50.28 Navigation to Donor Card from Donation Order (Ceres4.50.28)

Service Request or Support:

Issue addressed: When navigating as outlined below, the user is presented with the Vendor Card instead of the Donor Card.

1. Select Advanced from the simple dropdown on the Donation Order (for the Donor No.).
2. From the Donor List, select Edit, the Vendor Card (captioned as Donor Card) will be displayed.

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by replacing the simple dropdown list with a lookup directly to the Donor List.
