Service Request or Support:

Issue addressed: Verify that all recommended components are disabled for newly created companies that are created via Copy Company.

Type	ID	Name
Report	357	Copy Company

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by adding logic to Report 357 (Copy Company) to set Job Queue Entries 'On Hold' and initializing the 'API key', 'Error Reporting Email' and 'Mode' fields in the 'Meal Connect Setup' table.
