

Read Me Ceres4.50.61 Correct field length discrepancies Your  
Reference, Appointment Time, Web Order (Ceres4.50.61)

Service Request or Support Case:

Issues addressed: For orders that have been sent to the web, the Your Reference field cannot exceed 30 characters or an error will be generated by the Agency Express Outbox processing.

Objects Affected:

Type	ID	Name
Table	36	Sales Header
Codeunit	14012262	Outbox Processing

This release does not present a change in system usage methodology.

Resolution: With this release, Ceres has been enhanced to address the reported issue by setting the maximum character length to 30 for the Your Reference field when orders are synchronized to the Web.
