Service Request or Support:

Issue addressed: The Credit Order and Recreate process will error (Quantity must have a value in Agency Document Line ... It cannot be zero or empty.) when attempting to process a partially invoiced document (where some lines were invoiced but one or more lines were not invoiced at all). This same error presents when using the Get Posted Document Lines to Reverse process.

Type	ID	Name
Codeunit	6620	Copy Document Mgt.
Codeunit	14012254	Food Bank Utilities

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by modifying the Copy Document process to skip lines that have not been invoiced.
