Read Me_CERES4.50.85_No Document Batch Validation for Report Create Orders from Allocations (Ceres4.50.85)

Service Request or Support: The Allocation Journal has the ability to assign created orders to a batch. The Batch Name entered is not validated and allows users to create orders in a non-existent batch.

Type	ID	Name
Report	14012315	Create Orders From Allocations
Page	14012449	Allocation Journal

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by modifying Report 14012315 - Create Orders From Allocations, adding code to validate the Batch Name on the Request Page.
