

Read Me CERES4.50.92 Web Ordering Confirmation Message on Agencies & Receivables Setup (Ceres4.50.92)

Service Request or Support: When toggling the Enable Web Ordering Flag on the Web Ordering Fast-Tab of Agencies & Receivables Setup, the user should be presented with a confirmation message "Do you want to replace the current web settings with defaults?" but this message is not being generated.

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by modifying the Agencies & Receivables Setup to trigger the confirmation message and updating the 'SetWebOrderDefaults' function to correct the setting of the default values.
