

Read Me CERES4.51.18 Missing CAL CodeUnits in the C45 Implementation Database. (Ceres4.51.18)

Issue addressed: During a standard object review it was determined that there were missing CodeUnits in the Ceres 4.5 Implementation Database.

Type	ID	Name
CodeUnit	130400	CAL Test Runner
CodeUnit	130401	CAL Test Manager
CodeUnit	130402	CAL Command Line Test Runner
CodeUnit	130404	CAL Test Project Mgt.
CodeUnit	130440	Library - Random

NEED OBJECT FILE CREATED

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by porting the 5 missing CodeUnits from the Ceres 4.5 Development Database to the Ceres 4.5 Implementation Database.

NOTE: This Hot Fix address an issue with compile errors encountered when all objects are compiled. The missing CodeUnits support the Dynamics NAV Testing Suite functionality and while their absense causes compile errors, the missing CodeUnits do not affect any Ceres functionatliy or cause any errors with normal Ceres operation.
