

Read Me Ceres4.51.25 Modify Donor Card Balance field Drill Down to display
Donor Ledger Entries Page (Ceres4.51.25)

Issue addressed: When drilling down on the Balance field on the Donor Card the Vendor Ledger Entries page is displayed. The Balance field drill down on the Donor Card should display the Donor Ledger Entries page.

Objects Affected:

Type	ID	Name
Table	25	Vendor Ledger Entry

This release does not present a change in system usage methodology.

Resolution: With this release, Ceres has been enhanced to address the reported issue by adding functionality that links the Donor Card Balance field to the Donor Ledger Entries page.
