

## Read Me 4.51.38 Delivery Charge Recalculation on Agency Orders (Ceres4.51.38)

Issue addressed: CERES4.50.87 - Unable to Modify Delivery Fee on Agency Order, prevents delivery charges from being recalculated subsequent to the initial calculation. With CERES4.50.87, if delivery charges are calculated, and the Agency Order lines change, when 'Calculate Delivery Charge' is selected, the Delivery Charge does not re-calculate. Without CERES4.50.87, delivery charges recalculate but cannot be changed once calculated.

### Objects Affected:

Type	ID	Name
CodeUnit	14012250	Food Bank Management

This release does not present a change in system usage methodology.

Resolution: With this release, Ceres has been enhanced to address the reported issue by providing for delivery charge recalculation.
