

Read Me 4.51.40 Items on Hand by Date Report Incorrect Gross Weight for Kitting (Ceres4.51.40)

Issue addressed: The Items on Hand by Date report uses Item Gross Weight, but Kitting components do not record Gross Weight on the Item Card. The report should utilize the 'Unit Gross Weight' field from the Item Ledger Entry table.

Objects Affected:

Type	ID	Name
Report	1401249940	Items on Hand by Date

This release does not present a change in system usage methodology.

Resolution: With this release, Ceres has been enhanced to address the reported issue by updating the Items on Hand by Date report, to replace the 'Gross Weight' field from the Item table with the 'Unit Gross Weight' field from the Item Ledger Entry table for Item Components.
