

Read Me CERES4.51.66 Shipment Date on AO not cleared when changing Appointment Time (Ceres4.51.66)

Service Request or Support: N/A

Issue addressed: When changing the Shipment Date on an AO, the Appointment Time is not cleared, or gives an error if the order is a Web Order.

Type	ID	Name
Table	36	Sales Header

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by modifying Ceres behavior to clear the 'Appointment Time' field when no Appointments are found or available for a new Shipment Date. Ceres will provide a confirmation if the same Appointment Time is available for the new Shipment Date.

Note: The same functionality will be called when the 'Shipment Method Code' is changed.
