

Read Me CERES4.51.70 Fail to add Record Note when Record Link File Path is specified on Company Info (Ceres4.51.70)

Service Request or Support: N/A

Issue addressed: When "Record Links File Path" is specified on Company Information, a Record Note cannot be added as Ceres is treating the Note as if it were a file link.

Type	ID	Name
Table	2000000068	Record Link

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by updating the Record Links table to only perform file validation if the record type is "Link".
