

Read Me Ceres5.00.01 Add "Outstanding Quantity" Column (Ceres5.00.01)

Service Request or Support Case:

Issue addressed: Allocated Agency Order Status report needs to include an "Outstanding Quantity" column to the right of the Agency Order line quantity. This new column will match the Allocated Quantity Total for the Item

Objects Affected:

| Type | ID | Name |
|--------|----------|-------------------------------|
| Report | 14012275 | Allocated Agency Order Status |

This release does not present a change in system usage methodology.

Resolution: With this release Ceres has been enhanced to address the reported issue by adding a column for "Outstanding Quantity" that includes a total. Widths of other columns were adjusted to improve readability.
