

## Read Me Ceres5.00.10 Change case: GetMealConnectSTATUS (Ceres5.00.10)

Service Request or Support Case:

Issue addressed: In MealConnect Utilities, the Parameter "GetMealConnectSTATUS" needs to be all upper case; GETMEALCONNECTSTATUS

Objects Affected:

Type	ID	Name
Codeunit	14012327	MealConnect Utilities

This release does not present a change in system usage methodology.

Resolution: With this release Ceres has been enhanced to address the reported issue by changing the "GetMealConnectSTATUS" parameter to all upper case.
