

Read Me Ceres5.00.11 Change Appointment reference from Program No. to  
Agency No. (Ceres5.00.11)

Service Request or Support Case:

Issue addressed: The Create Single Appointment page references "Program No." which should be updated to "Agency No."

Objects Affected:

Type	ID	Name
Page	14012460	Create Single Appointment

This release does not present a change in system usage methodology.

Resolution: With this release Ceres has been enhanced to address the reported issue by changing the Agency Control Caption from "Program No." to "Agency No."
