

Read Me Ceres5.00.15 AE Invoice Entry not created for AE Order
(Ceres5.00.15)

Service Request or Support Case:

Issue addressed: When an Agency Express Order is posted (e.g. invoiced), the Invoice entry for submission to Agency Express is not being created.

Objects Affected:

Type	ID	Name
Codeunit	80	Sales-Post

This release does not present a change in system usage methodology.

Resolution: With this release Ceres has been enhanced to address the reported issue by modifying the Sale-Post Codeunit to create the Agency Express Invoice entry when an Agency Express Order is posted.
