

Read Me Ceres5.00.19 Recurring Journal Post and Print (Ceres5.00.19)

Service Request or Support Case:

Issue addressed: When using Post & Print on a Recurring Journal, the posting report does not print.

Objects Affected:

Type	ID	Name
Codeunit	13	Gen. Jnl.-Post Batch

This release does not present a change in system usage methodology.

Resolution: With this release Ceres has been enhanced to address the reported issue by applying the Recurring Journal Post and Print fix from Cumulative Update 05.
