Read Me_Ceres5.00.23_Posted Food Drive Orders and Receipts crash Ceres client when opened (Ceres5.00.23)

Service Request or Support Case:

Issue addressed: When accessing the Posted Food Drive Receipts or Posted Food Drive Orders page the Ceres client may crash.

Objects Affected:

Type	ID	Name
Page	14012533	Food Drive Posted Don. Receipt
Page	14012534	Food Drive Posted Don. Order

This release does not present a change in system usage methodology.

Resolution: With this release Ceres has been enhanced to address the reported issue by removing an incorrect CardPageID definition from the related Posted Food Drive Receipt and Posted Food Drive Order pages.
