

## Read Me\_CERES5.00.31\_Enhanced Grocery Rescue Bypass Quantity Limits (Ceres5.00.31)

Service Request or Support: N/A

Issue addressed: The “Bypass Quantity Limits” option that is found on Grocery Rescue Order Import Setup and the Import Grocery Rescue Batch process does not appear to work properly. According to the intended usage, the “Bypass Quantity Limits” option provides the ability to ignore established item quantity limits during the creation of Agency Orders. However, the option does not appear to ignore the item limits.

Type	ID	Name
Table	37	Sales Line
Codeunit	14012258	Lot Management
Codeunit	14012371	Process Grocery Rescue Exch.

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by ensuring that the “Bypass Quantity Limits” option provides the intended usage.
