

## Read Me\_CERES5.00.38\_Vendor List Crashes Windows Client (Ceres5.00.38)

Service Request or Support: N/A

Issue addressed: Searching for Vendors and attempting to run it directly from the drop down list crashes the client.

This issue was previously determined to be resolved under NAV 2018 CU 06 (Build 22292). With the base Ceres 5.0 product having been upgraded to Dynamics 365 BC executables, and updates to the noted Ceres objects, this issue has been noted as resolved.

Type	ID	Name
Table	91	User Setup
Codeunit	14012292	Vendor Type Vendor List

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the issue as part of the product upgrade to Dynamics 365 BC executables
