

Read Me_CERES5.00.43_Standing Appointments Date in Month (Ceres5.00.43)

Service Request or Support: N/A

Issue addressed: When Standing Appointment Setup is configured for an Agency with the "Date in Month" and the value is set to more than the number of day in a month, the Create Standing Appointments process will error.

The value of DMY2Date parameter 1 is outside of the permitted range. The current value is: 30. The permitted range is: from 1 to 29.

Type	ID	Name
Report	14012320	Create Standing Appointments

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue such if the "Date in Month" is set to a value greater than the number of days in a month the Create Standing Appointment process will set the appointment date to the last day of the month; which may then be adjusted according to the "No Sat. or Sun. in Schedules" configuration on Agencies & Receivables Setup.
