

Read Me CERES5.00.52 Pre-orders (Ceres5.00.52)

Service Request or Support: N/A

Issue addressed: Pre-Orders can be thought of as a queried forecast. Meaning, the Food Bank would like to know the quantity of a purchased item each queried Agency expects they will order. This information then allows the food bank to determine how much of a given Item they should purchase in order to fulfill the expected demand.
