# Read Me_CERES5.00.54_Credit and Recreate Updates (Ceres5.00.54)

Service Request or Support: N/A

Issue addressed:
1. The user is unable to "Modify Unit Fees" on the replacement Agency Order created by the "Credit Order and Re-Create" process.
2. When attempting to use the "Credit Order and Re-Create" the user must enter a "Reason Code" on the Posted Sales Invoice page. However, the page is not editable under Ceres 5.1 (BC 365 Executables) with a food bank license.
3. "Unit Cost (LCY)" is not always populated properly on the Agency Order lines created by the "Credit Order and Re-Create" process.
