

Read Me 4.51.78 Incorrect update of Last Reporting Date for Agency Training and Certifications (Ceres4.51.78)

Issue addressed: When the “Expiration Date” for Agency Training and/or Agency Certification records is created or updated, the Last Reporting Date on the associated Agency Reporting Requirements record is not correctly set/updated.

Objects Affected:

| Type | ID | Name |
|-------|----------|-----------------------|
| Table | 14012401 | Agency Training |
| Table | 14012403 | Agency Certification |
| Page | 14012543 | Agency Certifications |

This release does not present a change in system usage methodology.

Resolution: With this release, Ceres has been enhanced to address the reported issue by implementing functionality to correctly update the “Last Reporting Date” on the associated Agency Reporting Requirements record when the Expiration Date on the Agency Training or Agency Certification records is entered/updated.
