

Read Me Ceres5.00.85 Prevent Rename of Items (Ceres5.00.85)

Service Request or Support Case:

Issue addressed: Item Renaming - When the Permit Web Order field on the Item Card is set to No, an Item does not exist message pops up when you try to rename the Item

Objects Affected:

Type	ID	Name
Table	27	Item

This release does not present a change in system usage methodology.

Resolution:

Items will be prevented from being renamed if the site is using Agency Express or if the Item is on an in process Agency Order. Additionally deleting an Item is not allowed if the Item has been used (.e.g. has Item Ledger Entries) or is on an in process transaction.
